SENATOR DUIS: Thank you very much, sir.

PRESIDENT: Yes, sir. Mr. Clerk, please...

SENATOR CHAMBERS: I think what he said is of interest to the body so I would appeal the Chair's ruling.

PRESIDENT: All right. The question is, shall the Chair be sustained on its ruling in overruling Senator Duis' point of personal privilege. Record your vote. Have you voted? Record.

CLERK: 16 ayes, 15 nays.

PRESIDENT: The Chair is not sustained. Senator Duis.

SENATOR DUIS: Mr. President, thank you so very much. The explanation of my vote is, I am not against the principle of the bill. I fully realize what the Executive Board might be trying to do but I could not figure out why the one committee is singled out of all the appointive committees of the Executive Board for this particular type of treatment. I think the makeup of the Board probably is very good but I am still at a loss to understand why this particular group was singled out whereas the Retirement Board and all the rest of them remain the same as they were without the equal division or the necessity of the particular situation we go through at the beginning of each session. I thank you very much, Mr. President, and I do thank you very much, members of the Legislature, for listening to me.

PRESIDENT: Mr. Clerk, would you please read on Final Reading LB 466 with the Emergency Clause attached.

CLERK: Engrossed LB 466 introduced by the Appropriations Committee. Read.

(RECORDER TURNED OFF FOR FINAL READING OF LB 466)

PRESIDENT: Select File and we will follow the agenda.

CLERK: Mr. President, the first bill on the agenda is LB 430, Mr. President. The E & R amendments have been adopted. The bill was replaced so there is nothing left to do except advance it.

SENATOR DWORAK: Mr. President, I move that LB 430 be advanced to E & R for engrossment.

PRESIDENT: Senator Goodrich, for what purpose do you arise?

SENATOR GOODRICH: There are some amendments hanging on that bill but I would ask that we pass over this bill today until Senator Manoney gets back tomorrow.

PRESIDENT: All right. There is a request for unanimous consent. Is there an objection? There is an objection. Do you want to make the motion?

SENATOR GOODRICH: Yes, I...
